

Professor Sko Discovery Sheet

S2:E12 - "Let's Go Cut Coral!"

QUESTION

The act of cutting coral creates a _____ response.

ACTIVITY

Let's build your very own coral reef! Use...

- Colored modeling clay
- Pasta
- Pebbles
- Goldfish
- Other materials of your choosing

See how close you can make yours look like the real thing. When you are finished, explain what each piece is!

THOUGHT EXPERIMENT

What might happen if there were no predators at the reef?

"IN THE KNOW" RESEARCH QUESTION

Is coral a plant, animal or rock?
